Department of Mathematics in its DFB meeting held on 03.12.2013 approved a list of reputed journals and classified them in four major areas, namely (i) Pure mathematics, (ii) Applied Mathematics, (iii) Operations Research and Statistics, and (iv) Discrete Mathematics and Theoretical Computer Science. DFB also resolved that any journal falling under one of the research areas of the Department and having either Impact factor 0.4 or above by JCR (Thomson Reuters), or MCQ 0.3 or above by AMS MathSciNet will be treated as a reputed journal.
